DR. PESSOA LEAVES NEW YORK TO-NIGHT FAMILY TO RETURN

President-elect of Brazil and
Party Spend Most of Day
Sight-Seeing.

Dr. Epitacio Pessoa, President-elect of Brazil, will finish his New York visit this evening and go with the rest of his party to Niagara Falls. Then he will go to Ottawa, while the women of the party return to New York.

The Brazilians spent a great part of to-day in sight-seeing, pausing at the noon hour for a luncheon at the Astor, where they were the guests of the Pan-American Society.

It was said that an effort would be made to bring about a meeting between Dr. Pessoa and the "President of the Irish Republic," who is also stopping at the Waldorf-Astoria. Rodman Wamsucker, Chairman of the Mayor's Committee on Reception for distinguished guests, received a telegram from E. N. Hurley of the Shipping Board regretting that he had been unable to attend the banquet for Dr. Pessoa last night.

Mr. Hurley said that plans are now being formulated by the Shipping Board to place in service six passenger ships between New York and Rio de Janeiro.

"We have asked the War Department to release six ships already selected for the service," he said. "There is no single thing that we could do which would be more effective than this in binding the United States and Brazil closer together."

Among the guests at to-day's luncheon were Rodman Wamsucker, William Fellowes Morgan, John Barrett, W. O. McAdoo, James Speyer, Grover A. Whelan, Rear Admiral Caperton, Major Gen. Joseph Kuhn, John Bassett Moore, Elbert H. Gary, Paul M. Warburg, Elia F. Draper, Frank H. Hitchcock and Laura Mueller.

LITTLE FIRE IN SCHOOL GIVES CHILDREN RECESS

Principal Gives Signal and Youngsters Play While Firemen Put Out Flames.

A little fire shortly before noon today created considerable excitement among the teachers of Public School No. 45 at Richmond Street and Ridge-wood Avenue, Brooklyn, where 500 pupils of the primary grade were celebrating the day prior to the closing of the term. The fire started in the teachers' room.

Miss Mary Duncan, the principal, sent out the fire signal for the kiddies to "beat it" from their classes and then turned in an alarm.

Boys and girls fled out into the yards and into the street, enjoying the rain and scampering with shouts of glee into the shelter of stores,

awnings and hallways, while the fire apparatus clattered up to the building. Mothers learned of the fire and rushed to the school, but when they got there the fire was out and the children were being marched back to school.

263 ALIENS TO BE DEPORTED.

Spies and German Agents to Board Ship at Charleston, S. C.

KANSAS CITY, June 26.—A party of 263 enemy aliens guarded by three officers and thirty enlisted men have arrived here from Fort Douglas, Utah, en route to Charleston, S. C., where the prisoners will be included in the sailing list of a steamer leaving for Germany soon. The prisoners, it was stated, are spies, German agents and industrial workers of the world who have been gathered up in Mexico, Canada, Honolulu and the Western part of the United States.

CHAUFFEUR KILLED BABY; SENTENCED FOR ASSAULT

Indicted for Manslaughter, Driver of Ten-Ton Truck Makes Futile Excuse of Defective Brakes.

Indicted for manslaughter for running over a two-year-old child with a ten-ton truck, James La Sal, twenty-three, of No. 216 East 27th Street, pleaded guilty of assault before Judge Rosalaky in General Sessions yesterday and was sentenced to the penitentiary for an indeterminate term.

La Sal's defense was that the brakes on his truck were defective when he ran down and killed Lena Paff of No. 601 East 13th Street, March 25, at 13th Street and Avenue B. In sentencing him Judge Rosalaky said:

"The courts are determined that reckless driving in the streets of this city shall stop. There is no excuse for any driver taking out a car or a truck when the brakes of the machine are defective."

MEDICAL AID FOR FIGHTERS.

WASHINGTON, June 25.—Organization of fourteen medical districts where discharged soldiers, sailors and marines who are beneficiaries of the war risk insurance act may obtain necessary treatment, was announced to-day by C. Smith.

Surgeon-General Ireland. The districts will be under the supervision of the public health service and a health officer will be in charge at each headquarters. The New York headquarters are at No. 229 Broadway, covering Connecticut, New York and New Jersey territories, under the direction of Surgeon F. treatment, was announced to-day by C. Smith.

Honest Advertising

THIS is a topic we all hear now-a-days because so many people are inclined to exaggerate. Yet has any physician told you that we claimed unreasonable remedial properties for Fletcher's Castoria? Just ask them. We won't answer it ourselves, we know what the answer will be.

That it has all the virtues to-day that was claimed for it in its early days is to be found in its increased use, the recommendation by prominent physicians, and our assurance that its standard will be maintained.

Imitations are to be found in some stores and only because of the Castoria that Mr. Fletcher created. But it is not the genuine Castoria that Mr. Fletcher honestly advertised, honestly placed before the public, and from which he honestly expects to receive his reward.

Genuine Castoria always bears the signature of *Dr. J. C. Fletcher*
